

Congratulations, enclosed is your visa to enter DeJā 2017. You will need to show the digital or print-out of the visa when you arrive at the gate.

- If you wish to make a financial donation to DeJā please make a bank transfer to:
SwedBank
LV91HABA0551036153577
CHARLES DEAN GIURA

And state **DeJā** as the purpose of the transfer. Also send an email to degosiejani@gmail.com if you have a specific use you wish your donation to go towards, include your name and the amount you transferred so that we can confirm that your money was received in the proper account.

- You will have received an invitation from **Slack** to join the **Baltic Burners** channel. In this channel you will find various channels allocated to the ministries that you may wish to volunteer in. Introduce yourself, get acquainted with others before the event and use this tool to communicate and plan out, organize or recruit help. If you are creating a project and need help or resources, create your own channel, add a description and then go to the general channel and tell @everyone what the channel you have created is for, what you may be looking for, doing, etc,

We have a short season in which to prepare for the event due to the weather and personal schedules, many will travel from abroad, so Slack will be useful in helping us all communicate in order to cocreate DeJā 2017.

- This year the **meal plan** will be offered again to those who wish to pay for it. More details will follow in a separate email if you have any questions about the meal plan, or wish to volunteer in the kitchen, ask Aija Libere

Laimigi!!
